

1. K-Love serves me as a resident of the local community by providing wholesome, contemporary family music for whenever my family travels by car. Our car radio is set for K_Love and I don't have to ever worry about foul lyrics for my kid's ears.
2. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, the local community would miss the family nature of this contemporary programming.
3. I believe that the service provided by K-LOVE is in the public interest because it is contemporary enough to played in a public place (such as my dentist's office.)
